

# Stand Up and Shout (Remastered)

## Dio

It's the same old song  
You've gotta be somewhere at sometime  
They never let you flyIt's like broken glass  
You get cut before you see it  
So open up your eyesYou've got desire  
So let it out  
You've got the power  
Stand up and shout, shout  
Stand up and shout, shoutYou've got wings of steel  
But they never really move you  
You only seem to crawlYou've been nailed to the wheel  
But never really turning  
You know you've got to want it allYou've got desire  
So let it out  
You've got the power  
Stand up and shout, shout  
Stand up and shout  
Let it outYou are the strongest chain  
And not just some reflection  
So never hide againYou are the driver  
You own the road  
You are the fire go on explodeYou've got desire  
So let it out  
You've got the power  
Stand up and shout  
Stand up and shout  
Let it out  
Stand up and shout
