

Cold Feet

[Fink](#)

Cold feet always walk in a vicious circle
Cold feet always walk in a vicious circle
Oh cold feet yeah Always taking you nowhere
Cold feet always walk in you nowhere
Cold feet always walk in a vicious circle
Cold feet always walk in a vicious circle
Cold feet, cold feet, cold feet, cold feet Cold feet, cold feet, cold feet, cold feet
Cold feet They do n't walk your path at night
Cold feet do n't walk your path at night
Cold feet always walk in a vicious circle
Cold feet always walk in a vicious circle
