

# Shots for the Boys

## Attila

Here we go now  
Pour the shots out  
Everyone is getting hammered  
And the tabs on me  
We're going hard cause we run this shit  
So stay the fuck at home if you party like a bitch  
(if you party like a bitch)

Take another and drink it all down  
We can have ten more  
Cause we run this town  
We keep it rowdy as fuck  
Take three more shots for good luck

Shots for the boys  
Bottoms up!

Shot of tequila  
One after another  
For all of my homies  
And all of your brothers  
Shut up and don't bother me  
Just take another we party all night  
And were not like the others  
Oh shit

Shots for the boys!  
Hell yeah

Here we go now  
Pour the shots out  
Everyone is getting hammered  
And the tabs on me  
We're going hard cause we run this shit  
So stay the fuck at home if you party like a bitch

Take another and drink it all down  
We can have ten more  
'Cause we run this town  
We keep it rowdy as fuck

Take three more shots for good luck

I only drink in celebration  
And every night is a celebration  
You don't like to take straight shots  
Shut the fuck we only take straight shots

One more shot

It's getting late

So get it in before last call

One more shot

If you don't take it then your just a fucking asshole

Tomorrow morning is gonna be rough

But last night was the shit

So suck on my dick
