Take That & Party

Take That

Come on, come on
Come on, come on take that and party
Come on, come on
Come on, come on take that
Every part of you makes me feel
That I've gotta touch you you know
If only you knew what's in my mind
I can't believe this girl
Come on, come on
Come on, come on take that and party
Come on, come on
Come on, come on take that
Come on, come on
Come on, come on take that and party
Come on, come on
Come on, come on take that
Don't catch the fall when I play real hard
You'll never stop all my games
If you only knew what's in my mind
I can't believe this world
Come on, come on
Come on, come on take that and party
Come on, come on
Come on, come on take that
