

# Take That & Party

## Take That

Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that  
Every part of you makes me feel  
That I've gotta touch you you know  
If only you knew what's in my mind  
I can't believe this girl  
Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that  
Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that  
Don't catch the fall when I play real hard  
You'll never stop all my games  
If you only knew what's in my mind  
I can't believe this world  
Come on, come on  
Come on, come on take that and party  
Come on, come on  
Come on, come on take that
