

I Don't Love You Anymore

[Charlie Louvin](#)

I don't love you anymore, not the way I did before
And since you've found someone new, I think it's best
I don't cry and walk the floor, I don't love you anymore
Trouble is I don't love you any less I don't love you anymore for I've got no more love to give
You drained my heart of all it's love with every sweet caress
I keep saying o'er and o'er, "I don't love you anymore"
Trouble is I don't love you any less I held you close to me one time, kissed your lips and called you mine
But another came and thrilled you more, I guess
I cried as you walked out the door, I don't love you anymore
Trouble is I don't love you any less I don't love you anymore
Trouble is I don't love you any less
