

Break It Off

Deadboy & the Elephantmen

I ain't got no tears wasted on you, dead man
There is no time for you to steal from the truth I hope that they stick it in, break it off, dead man
I hope that they stick it in, break it off, dead man[x3]
When they had me in a hole, my father lost control of his soul I hope that they stick it in,
break it off, dead man[x4]
There is no time for you to steal from the truth[x3]
I hope they stick it in,
break it off, dead man I have got no tears to waste on you, deadman
Oh dead man [x5] Dead man [x10]
