

# Just Friends

Ernie Halter

Girl I know this might seem strange  
But let me know if Im out of order  
For stepping to you this way  
See Ive been watching you for a while  
And I just gotta let you know  
That Im really feeling your style 'Cause I have to know your name  
And leave you with my number  
And I hope that you would call me someday  
If you want you can give me your's too  
And if you dont well I aint mad at you  
We can still be cool 'cause Im not trying to pressure you just cant stop thinking bout you  
You aint even really gotta be my girlfriend  
I just wanna know your name and maybe some time  
We can hook up, hang out, just chill Damn, Im surprised that you called  
'Cause the way you walked away  
I thought I wasnt gon' see you no more  
Since you didnt wanna give me your name  
I thought that you were igging me  
And wasnt digging me But anyway what you doing tonight?  
Ill probably be with my peeps  
If its cool with you maybe well swing by  
And you can just chill with us or you can just chill with me  
Long as youre comfortable  
And you feel secure when your with me 'cause Im not trying to pressure you just cant stop thinking bout you  
You aint even really gotta be my girlfriend  
I just wanna know your name and maybe some time  
We can hook up, hang out, just chill Oh, oh, baby, yeah maybe we can  
Go and see a movie girl  
Or maybe we can hang out girl whatever you wanna do  
Just let me know, its up to you Im not trying to pressure you just cant stop thinking bout you  
You aint even really gotta be my girlfriend  
I just wanna know your name and maybe some time  
We can hook up, hang out, just chill Im not trying to pressure you just cant stop thinking bout you  
You aint even really gotta be my girlfriend  
I just wanna know your name and maybe some time  
We can hook up, hang out, just chill Im not trying to pressure you just cant stop thinking bout you  
You aint even really gotta be my girlfriend  
I just wanna know your name and maybe some time  
We can hook up, hang out, just chill Just trying to keep it real

Ain't out to get nothing from you, oh no, oh no  
We can just talk about you girl
