

# Heartbreak USA

Kitty Wells

Back home in Heartbreak U.S.A. The harbor's empty, my love has gone  
With aching heart I face each cold and lonely dawn  
And 'til the trade winds bring him home to stay  
I'll live in Heartbreak U.S.A. Don't let those Geisha girls get your heart in a whirl  
(Please don't let 'em, please don't let 'em)  
And if you meet some sweet Fraulein, remember you're mine  
Don't forget your sweetheart while you're away  
Back home in Heartbreak U.S.A. Sometimes I'm lonely and time stands still  
And I wonder if you feel the way I always will  
So darling, write me letters every day  
In care of Heartbreak U.S.A.
