

Say You Love Me

A Flock of Seagulls

Say you love me
Come on say you do
Say you need me
Just like I need you
It's in your eyes
I see it in your smile
Say you love me
If only for a while
Won't waste my time
On other love
If you were mine, lord above
I still remember
When our eyes first met
There's something about you
That I just can't forget
You made my heart
Into an open door
Say you need me
Can't take it anymore
Don't waste your time
On other love
When you are mine, lord above
My heart's been tossed
Like a ship on the ocean
I'm beaten and driven
On waves of emotion
That carry me
Carry me
Carry me
On to your shore
You stand like a statue
Of pure alabaster
Surrounded by sirens
On rock of disaster
They're calling me
Calling me
Calling me
Into your heart
Where I'm torn apart

Say you love me
Come on say you do
Say you need me
Don't treat me like a fool
It's in your eyes
I know it's in your touch
Say you love me
Say you love me
Say you love me
