

Up Around the Bend (Re-Recorded)

Elton John

There's a place up ahead and I'm going
Just as fast as my feet can fly
Come away, come away if you're going
Leave the sinking ships behind Come on _____
We're going up around the bend Bring a song and a smile for the banjo
Better get while the getting's good
Hitch a ride to the end of the highway
Where the neon _____ wood You can ponder perpetual motion
_____ your mind on a crystal day
Always time for a good conversation
There's an ear for what you say
