

# The Sign of Evil Existence

## Rotting Christ

Oh south spirit  
Remove the sea wind  
Recall the first flame  
Awake the beast under the snow  
In three shades  
The sign of evil existence  
Engraved in rain  
Above the circle where tyrants dwell  
Summon Glohithia  
Appear in the snake shape  
Bring down upon me  
For last time all forest's (secrets)  
The sign of evil existence  
In the four points of horizon  
The secrets buried under smoky land  
It'll take ages and ages come back  
The wind is here now  
The see is divided  
The flame reburn inside me  
The beast return in the snowy land  
Summon Glohithia  
Appear in the snake shape  
Bring down upon me  
For last time all forest's (secrets)
