

I Remember

Rosey

Bend me, you won't break me
Dont matter to me baby
'Cause Ill always love you anyway
Played all of our cards
Collecting the rewards
For my love is here to stay
'Cause now you can talk to me
You can see right through me
You made me the person that I am
And I remember, just like it was yesterday
And I think its better to love and to live with the pain
Than to never let it into your heart
Sittin here thinkin, rememberin us drinkin
And layin, around all day
Yes I was crazy and you were damn lazy
But I wouldnt trade it for anything
'Cause now I can talk to you
I know what youve been through
And you know I will always understand
And I remember, just like it was yesterday
And I think its better to love and to live with the pain
Than to never let it in ooh
I know your secrets
And Im gonna keep them safe and warm deep inside
If you ever need me, you better come see me
'Cause you can come runnin' any time
And I remember, just like it was yesterday, yes I do
And I know its better, its better to love and to live with the pains
Than to never, never bend
Oh, bend me, you won't break me
Dont matter no more baby
'Cause Ill always love you anyway
