

# Dreaming Awake - Mason Jar Mix

## My Brightest Diamond

Slow  
Slow  
Slowing down  
Slowing down  
So slow  
This could be my favorite time of day  
When everything is nestling down  
Feathers ruffled and wings touch ground  
And every floor closes up  
So slow  
Every voice acquires a hush  
And limbs grow numb  
Fingers finding hard start to roam  
And whispering I say to you  
I could stay here always  
Just watching you breathe  
Making up some great adventure story  
Where you win all the fame and glory  
I could stay here always  
Dreaming awake  
Dreaming awake  
Dreaming, dreaming awake  
What is all this rushing about?  
What have I done to prove?  
What is all this rushing about?  
I've got to slow it down  
So slow  
I could stay here always  
Just watching you breathe  
Making up some great adventure story  
Where you win all the flame and the glory  
I could stay here always  
Dreaming awake  
Dreaming awake  
Dreaming, dreaming awake  
Im dreaming  
Dreaming awake  
Slow  
Slow
