He's In Town

The Tokens

He's in town
(He's in town)
He's back in town
(He's in town)Girl, I knew just what was wrong
(He's in town)
When you weren't home
Each time when I phoned
All week longAnd now I see it in your eyes
(He's in town)
The look on your face
When you're thinking of him
Can't be disguisedI was afraid
He'd come back someday
And I'd be the one to lose
I knew when you saw him
You wouldn't ignore him
And he'd be the one you chooseNo, you don't have to tell me
He's in town
(He's in town)
He's back in town
(He's in town)No, you don't have to tell me
He's in town
(he's in town)
He's back in town(He's in town)
He's in town
(He's in town)
(He's in town)
