

# Nightmare

## Avenged Sevenfold

Nightmare  
(Now your nightmare comes to life)  
Dragged ya down below  
Down to the devil's show  
To be his guest forever  
Peace of mind is less than never  
Hate to twist your mind  
But God ain't on your side  
An old acquaintance severed  
Burn the world, your last endeavor  
Flesh is burning  
You can smell it in the air  
'Cause men like you have  
Such an easy soul to steal  
(Steal)  
So stand in line  
While they ink numbers in your head  
You're now a slave  
Until the end of time here  
Nothing stops the madness turning  
Haunting, yearning, pull the trigger  
You should have known  
The price of evil  
And it hurts to know  
That you belong here, yeah  
It's your fucking nightmare  
(While your nightmare comes to life)  
Can't wake up and sweat  
'Cause it ain't over yet  
Still dancin' with your demons  
Victim of your own creation  
Beyond the will to fight  
Where all that's wrong is right  
Where hate don't need a reason  
Loathing, self-assassination  
You've been lied to  
Just to rape you of your sight  
And now they have the nerve  
To tell you how to feel

(Feel)  
So sedated  
As they medicate your brain  
And while you slowly go insane  
They tell ya  
Given with the best intentions help you  
With your complications  
You should have known the price of evil  
And it hurts to know that you belong here, yeah  
No one to call everybody to fear  
Your tragic fate is looking so clear, yeah  
It's your fucking nightmare  
Ha, ha, ha, ha  
Fight  
(Fight)  
Not to fail  
(Fail)  
Not to fall  
(Fall)  
Or you'll end up like the others  
Die  
(Die)  
Die again  
(Die)  
Drenched in sin  
(Sin)  
With no respect for another  
Down  
(Down)  
Feel the fire  
(Fire)  
Feel the hate  
(Hate)  
Your pain is what we desire  
Lost  
(Lost)  
Hit the wall  
(Hit)  
Watch you crawl  
(Crawl)  
Such a replaceable liar  
And I know you hear their voices  
(Calling from above)  
And I know they may seem real  
(These signals of love)

But our life's made up of choices  
    (Some without appeal)  
They took for granted your soul  
    And it's ours now to steal  
As your nightmare comes to life  
    You should have known  
    The price of evil  
    And it hurts to know  
That you belong here, yeah  
    No one to call  
    Everybody to fear  
Your tragic fate is looking so clear, yeah  
    It's your fucking nightmare
