

# Social Enemy (Anti-Social: Jeremy Inkel)

## Front Line Assembly

Join in the masses believe in what you think  
This human generation creates the weakest link  
No more point in trying when the end result is dying  
Blow your load or self explode  
I am bored with this living  
As I corrode, As I implode  
All alone (He's so desperate)  
So disturbed  
He's so borderline  
So alone (So forgotten)  
In this atrium of lies  
Bizarre contamination  
Bizarre annihilation  
Suicide  
In the wake of devastation  
My brain defies isolation  
In the face of adversity  
Anti climatic hypocrisy  
Lurid pacification  
Rulers of this nation  
A fourth world destination  
Self immoral annihilation  
As I corrode, As I implode  
All alone (He's so desperate)  
So disturbed  
He's so borderline  
So alone (So forgotten)  
In this atrium of lies
