Why Couldn't I See?

Spacemen 3

You took my heart and you tore it to pieces
You gave me love and then quickly retrieved it
Why couldn? t I see? Oh why?
Oh, why couldn? t I see? Oh why?
Why couldn? t I see? Oh why, oh why?Why can? t you see that you? re breaking a lover? s heart?
Why can? t you see that you? re just tearin? my life apart?
Why couldn? t I see? Oh why?
Oh, why couldn? t I see? Oh why?
Why couldn? t I see? Oh why, oh why?
You let me feel that I was just what you needed
Then you turned round and said? Why don? t we leave it?
Why couldn? t I see? Oh why?
Oh, why couldn? t I see? Oh why?
Why couldn? t I see? Oh why, oh why?Why can? t you see that you? re breaking a lover? s heart?
Why can? t you see that you? re just tearin? my life apart?
Why couldn? t I see? Oh why?
Oh, why couldn? t I see? Oh why?
Why couldn? t I see? Oh why, oh why?
You let me think that I was just what you needed
Then you turned round and said? Why don? t we leave it?
Why couldn? t I see? Oh why?
Oh, why couldn? t I see? Oh why?
Why couldn? t I see? Oh why, oh why?This chord is for youDon? t bring me down, don? t bring me down
You? re screwing my head with confusion all around
