We Are

Ana Johnsson

See the Devil on the doorstep now, my, oh, my
Telling everybody, oh, just how to live their lives
Sliding down the information highway
Buying in just like a bunch of fools
Time is ticking and we can't go back, my, oh, myWhat about the world today?
What about the place that we call home?
We never been so many
And we never been so aloneKeep watching from your picket fence
You keep talking but it makes no sense
You say we're not responsible
We are, we areYou wash your hands, you come out clean
You fail to recognize the enemies within
You say we're not responsible
We are, we are, we areOne step forward, making two steps back, my, oh, my
Riding piggy on the bad boys' back for life
Lining up for the grand illusion
No answers for no questions asked
Lining up for the execution without knowing whyKeep watching from your picket fence
You keep talking but it makes no sense
You say we're not responsible
But we are, we areYou wash your hands, you come out clean
You fail to recognize the enemies within
You say we're not responsible
But we are, we areIt's all about power by taking control
Breaking the will and breaking the soul
They suck us dry 'til there's nothing left
My, oh, my, my, oh, myWhat about the world today?
What about the place that we call home?
We never been so many
And we never been so alone, so aloneKeep watching from your picket fence
You keep talking but it makes no sense
You say we're not responsible
We are, we areYou wash your hands, you come out clean
You fail to recognize the enemies within
You say we're not responsible
We are, we are, we areIt's all about power by taking control
Breaking the will and breaking the soul
They suck us dry 'til there's nothing left
My, oh, myWe are, we are, we are

We are, we are
It's all about power by taking control
