Addicted to Pain

Alter Bridge

Tell me how it feels to live a lie
Tell me do you know that it won't ever be the same
You can't deny, the house of cards just hit the floor
Don't tell me you can save it in the end
There's nothing you can do
'Cause when it's gone, you know it won't come back again
But you don't listen anymoreYou're addicted to pain
Too blind to see you're lost in the shadows
So addicted to face
In time you're gonna lose it allIf only I had said this long ago
If only I had found a way to tell you all the things you should've known
But you were lost right from the start
How the hell are you the one to blame
You've done no wrong, you gave it all
So why the hell did you have to change
You broke your back, she broke your heartYou're addicted to pain
Too blind to see you're lost in the shadows
So addicted to face
In time you're gonna lose it allCry out
You're nowhere now
She sold you out
You're gonna lose it allCry out
You're nowhere now
Just tear it down
You're gonna lose it allYou're addicted to pain
Too blind to see you're lost in the shadows
So addicted to face
In time you're gonna lose it allYou're addicted to pain
Sometimes it seems like nothing else matters
You're too addicted to face
In time you're gonna lose it allCry out
You're nowhere now
In time you're gonna lose it all
Cry out
You're nowhere now
You don't live it anymoreCry out
You're nowhere now
In time you're gonna lose it all
Cry out

You're nowhere now
You don't live it anymore
