

Rain

Yung Booke

[Hook:] When the rain hit the ground and the dirt turn into mud
When the loyalty get real you treat yo homies like they yo blood
Stack yo cash up cuz in these streets it ain't no love
Run yo bag up cuz getting money is a must
I know what it takes to get the money hit the block with a lil sack run it up
I ain't feeling niggas vibe these niggas switch way too much for me I don't
who to trust
