Tomorrow You'll Hide

Quasi

Fail us down we'll fall
Spin your web tight
So you could end it all
Or shine so bright
Do you miss me?
Will we always be wrong?
Am I just a memory
Who plays along?
Happy sad it makes me mad
I knew when you cried
What happened tonight
Tomorrow you'd hide
Forget me cause I won't forget you
Or the things you said today and maybe didn't mean.
