Say My Name (Instrumental)

J Dilla

Whenever I say your name, whenever I call to mind your face
Whatever bread's in my mouth, whatever the sweetest wine that I taste
Whenever your memory feeds my soul, whatever got broken becomes whole
Whenever I'm filled with doubts that we will be togetherWherever I lay me down, wherever I put my head to sleep
Whenever I hurt and cry, whenever I got to lie awake and weep
Whenever I kneel to pray, whenever I need to find a way
I'm calling out your nameWhenever those dark clouds hide the moon
Whenever this world has gotten so strange
I know that something's gonna change
Something's gonna changeWhenever I say your name,
Whenever I say your name,
I'm already praying, I'm already praying
I'm already filled with a joy that I can't explain
Wherever I lay me down, wherever I rest my weary head to sleep
Whenever I hurt and cry, whenever I got to lie awake and weep
Whenever I'm on the floor
Whatever it was that I believed before
Whenever I say your name, whenever I say it loud, I'm already prayingWhenever this world has got me down, whenever I shed a tear
Whenever the TV makes me mad, whenever I'm paralyzed with fear
Whenever those dark clouds fill the sky, whenever I lose the reason why
Whenever I'm filled with doubts that we will be togetherWhenever the sun refuse to shine, whenever the skies are pouring rain
Whatever I lost I thought was mine whenever I close my eyes in pain
Whenever I kneel to pray, whenever I need to find a way
I'm calling out your nameWhenever this dark begins to fall
Whenever I'm vulnerable and small
Whenever I feel like I could die
Whenever I'm holding back the tears that I cryWhenever I say your name, whenever I call to mind your face
I'm already praying
Whatever bread's in my mouth, whatever the sweetest wine that I taste
Wherever I lay me down, wherever I rest my weary head to sleep
Whenever I hurt and cry, whenever I'm forced to lie awake and have to weep
Whenever I'm on the floor
Whatever it was that I believed before
Whenever I say your name, whenever I say it loud, I'm already prayingWhenever I say your name,
No matter how long it takes,
One day we'll be togetherWhenever I say your name,

Let there be no mistake
That day will last foreverWhenever I say your name,
No matter how long it takes,
One day we'll be together
