

# Love So Fine (feat. Deverano)

Eljay

Nah nah nah whoa...

mmm whoa...

yeahhhh mmmm... You took the frown off of my face  
and left a kiss right in its place.

Your lips are elegant in taste,

I wear a smile I can't erase. As i look deep in to your eyes,  
my mind soars into the skies. And when your body touches mine

i fear that i may lose my mind There's a feeling that you produce in me

it feels like you're lovin me and seducing me (x2) Your love's so fine fine fine (x2) There's a feeling that you  
produce in me, yeah yeah. Your love's so fine fine fine (x2) It feels like you're lovin me and seducing me Your

love's so fine fine fine Your voice, I hear it in my dreams,  
awakening some thing in me.

Whether love or lust are in between,

I can't deny this chemistry. As I look deep in to your eyes,  
my mind soars into the skies. When your body touches mine

I fear that I may lose my mind. There's a feeling that you produce in me.

(produce in me baby yeah)

It feels like you're lovin me and seducing me.

(what are you doin to me baby)

There's a feeling that you produce in me.

(what are you doin to me baby)

It feels like you're lovin me and seducing me.

(yea yea) Your love's so fine fine fine. (x2) There's a feeling that you produce in me, yeah yeah. Your love's so  
fine fine fine. (x2) It feels like you're lovin me and seducing me. Your love's so fine fine fine.
