

# The Immortals

## Spacid

The open road, the path of greatness  
It's at your fingers  
Go be the one that keeps on fighting  
Go be the stranger  
Just put your foot in front' the other  
Crow like a rooster  
We are allowed to get us something  
Fear as a danger

I say

Spill out on the streets of stars  
And ride away  
Find out what you are  
Face to face

The windows are  
The perfect picture  
They're always changin'  
Go on get lost  
Jump in the waters  
When they are raging  
I said

Spill out on the streets of stars  
And ride away  
Find out what you are  
Face to face  
Once you've had enough  
Carry on  
Don't forget to love  
'Fore you're gone

Spill out on the streets of stars  
And ride away  
Find out what you are  
Face to face  
Once you've had enough  
Carry on  
Don't forget to love

'Fore you're gone
