Orange Colored Sky

John Trones

I was walking along minding my business
when love came and hit me in the eye
now out of the blue my dreams come true
when they ask I'll tell them why
I was walking along minding my business
when out of an orange colored sky
Flash,bang,alakazam
wonderful you came by
I was humming a tune
drinking in sunshine
when out of an orange colored view
Wham,baam,alakazam
I got a look at you
One look and I yell timper

watch out for flying glass
Cauz the ceiling fell in and the bottom fell out
I went into a spin and i started to shout
I've been hit,this is it,this is it
I was walking along minding my business
when love came and hit me in the eye
Flash,baam,alakazam
out of an orange colored sky
One look and i yell timber
watch out for flying glass
Cauz the ceiling fell in and the bottom fell out
I went into a spin and i started to shout
this is it,this is it,I've been hit
