

On a Clear Day (You Can See Forever)

Mario Biondi

On a clear day, rise and look around you

And you'll see who you are

On a clear day how it will astound you

That the glow of your being outshines every star You'll feel part of ev'ry mountain, sea, and shore

You can hear from far and near a world you've never heard before And on a clear day, on that clear day

You can see forever and ever more You'll feel part of ev'ry mountain, sea, and shore

You can hear from far and near a world you've never heard before And on that clear day, on that clear day

You can see forever and ever and ever and ever and ever and evermore
