Steven (live)

Alice Cooper

I don't want to see you go
I don't even want to be there
I will cover up my eyes
And pray it goes awayYou've only lived a minute of your life
I must be dreaming, please stop screamingI don't like to hear you cry
You just don't know how deep that cuts me
So I will cover up my eyes
And it will go awayYou've only lived a minute of your life
I must be dreaming, please stop screamingSteven, Steven, I hear my name
Steven, is someone calling me?
I hear my name! Steven
That icy breath that whispers screams of painI don't want to feel you die
But if that's the way that God has planned you
I'll put pennies on your eyes
And it will go away, see?You've only lived a minute of your life
I must be dreaming(Steven)
Is someone calling me? No
(Steven)
I think I hear a voice, it's outside the doorSteven, I hear my name
Steven, is someone calling me?
I hear my nameSteven, what do you want?
Steven, what do you want?
What do you want? What do you want?
What do you want?Steven, Steven, Steven
I hear my name
