

Steven (live)

Alice Cooper

I don't want to see you go
I don't even want to be there
I will cover up my eyes
And pray it goes away You've only lived a minute of your life
I must be dreaming, please stop screaming I don't like to hear you cry
You just don't know how deep that cuts me
So I will cover up my eyes
And it will go away You've only lived a minute of your life
I must be dreaming, please stop screaming Steven, Steven, I hear my name
Steven, is someone calling me?
I hear my name! Steven
That icy breath that whispers screams of pain I don't want to feel you die
But if that's the way that God has planned you
I'll put pennies on your eyes
And it will go away, see? You've only lived a minute of your life
I must be dreaming (Steven)
Is someone calling me? No
(Steven)
I think I hear a voice, it's outside the door Steven, I hear my name
Steven, is someone calling me?
I hear my name Steven, what do you want?
Steven, what do you want?
What do you want? What do you want?
What do you want? Steven, Steven, Steven
I hear my name
