

Lost in Paradise

[Rihanna](#)

What am I supposed to do with this heart
How do I take it off, if the love ain't on, it's like a work of art
In love we all will fall but, we fell a little harder
What am I supposed to do with this heart It may be wrong but it feels right, to be lost in paradise I'm so lost in
paradise
If I open up my eyes
I can see the storm, I can see the sky
I can see the darkness flashing lights
All my fears, don't deny
Let me stay, I'm lost in paradise How was I to know that my love was delusional
Somebody tell me how to mend a broken-hearted soul
In love we all will fall but, we fell a little harder
What am I supposed to do with this heart It may be wrong but it feels right, to be lost in paradise I'm so lost in
paradise
If I open up my eyes
I can see the storm, I can see the sky
I can see the darkness flashing lights
All my fears, don't deny
Let me stay, I'm lost in paradise It may be wrong but it feels right
All my fears are gone tonight
I'm lost in paradise I'm so lost in paradise
If I open up my eyes
I can see the storm, I can see the sky
I can see the darkness flashing lights
All my fears, don't deny
Let me stay, I'm lost in paradise Lost in paradise
Yeah, lost in paradise
Lost in paradise
