She Was the One

The Vamps

Tell me you love me
Tell me you care
But I know you won?t be there
No-oh-oh

I've had trouble sleeping
You feel the same
No, I bet you can?t complain
About that at all

Give me it all
And I?ll give it right back
Show me the bottom of this bottle
We can pick up where we left off tomorrow

She was the one who got away
She was the one who I never got to say
How much
I miss your touch
She was the one who meant the most
She was the one who I kept close
Amongst it all
So just let?s fall

Not saying it's easy
But you can?t deny
That we?d still stay up all night
What a waste of time

Give me it all
And I?ll give it right back
Show me the bottom of this bottle
We can pick up where we left off tomorrow

She was the one who got away
She was the one who I never got to say
How much
I miss your touch
She was the one who meant the most
She was the one who I kept close

Amongst it all
So just let?s fall

Tell me it?ll be okay
And tell me it?ll all fade away

I?ve walked for miles, I haven?t even got that far
Told you my secrets, promised you would heal these scars
Now I've got nothing, nothing but a broken heart
No-oh

Never thought it would ever end that way
Second guessing girl I got led astray
Could you come back to me one day?

She was the one who got away
She was the one who I never got to say
How much
I miss your touch
She was the one who meant the most
She was the one who I kept close
Amongst it all
So just let?s fall
One day
