Resist and Bite

Sabaton

War is coming swiftly
The borders closing in
We're a company of soldiers
Mere forty rifles strongAll alone
Stand aloneArdenner ground is burning,
And Rommel is at hand
As the Blitzkrieg's pushing harder
The war is all around!All around
Hold your ground!Fight all eighteen days of battles,
No odds are on our side
Few will fight for all until the bullets are gone[Chorus]
We!
We will resist and bite!
Bite hard
'Cause we are all in sight
We!
We take up arms and fight!
Fight hard!
Resist and do what's right!No matter our fighting
The numbers will still count
We're outgunned and few in numbers
We're doomed to flag of failWe fought hard
Held our guard
But when captured by the Axis
And forced to tell the truth
We'll tell it with a smile,
We will surprise them with a laughWe are all
We were allWe were told to hold the border
And that is what we did
Honored were our orders
In despite of our foeWe!
We will resist and bite!
Bite hard
'Cause we are all in sight
We!
We take up arms and fight!
Fight hard!
Resist and do what's righWe!
We will resist and bite!

Bite hard
'Cause we are all in sight
We!
We take up arms and fight!
Fight hard!
Resist and do what's rightGloria fortis miles
The Wehrmacht closing in
Adversor et admorsus
The Boar against the Eagle
Gloria fortis miles
The Wehrmacht closing in
Adversor et admorsus
The Boar against the EagleWe!
We will resist and bite!
Bite hard
'Cause we are all in sight
We!
We take up arms and fight!
Fight hard!
Resist and do what's righ
