

Too Pretty

State of Shock

Seven days and Im still sick
I need you more than I'll admit
I'm drowning here in a fifth of gin
Now I'm hoping for the best
But not holding my breath Was there something that I missed?
Some sort of clue maybe a hint
Cause theres a lack of love thats on you lips And I can see your face in my mirror
Hear you voice in my ear
Youre everywhere but here Maybe baby, you're too pretty for me
Maybe baby, you're playing hide and go seek
Im hoping for the best cause youre so hard to get
Im not holding my breath cause you're too pretty for me
You're pretty for me, too pretty for me All the days the love we made
Tell me it wasnt all just fake
I need to know cause my hearts at stake
Now Im hoping for the best
But not holding my breath And I can see your face in my mirror
Hear you voice in my ear
Youre everywhere but here Maybe baby, you're too pretty for me
Maybe baby, you're playing hide and go seek
Im hoping for the best cause youre so hard to get
Im not holding my breath cause you're too pretty for me Now you had me at hello
And then you let me go
Now everyday I wait
Is spent in second place And I can see your face
You're too pretty for me
Hear you voice
You're too pretty for me Maybe baby, you're too pretty for me
Maybe baby, you're playing hide and go seek
Im hoping for the best cause youre so hard to get
Im not holding my breath cause you're too pretty for me I know you, I know you lie cause you're too pretty for
me
I know you, I know you lie cause you're too pretty for me
I know you, I know you lie cause you're too pretty for me
