Gonna Get Better

Fifth Harmony

[Fifth Harmony Snippet]
[Chorus - Ally]
I'm not gonna leave you now
Oh I know, it's gonna get better
I'm not gonna leave you now
Oh I know, it's gonna get better
I won't leave you for a money man
No matter what we go through
I'm not gonna leave you now
Oh I know, it's gonna get better[Camila]
I don't know why you always think that I'm unsatisfied
That I'm tempted by kings...
