

# Gonna Get Better

## Fifth Harmony

[Fifth Harmony Snippet]

[Chorus - Ally]

I'm not gonna leave you now

Oh I know, it's gonna get better

I'm not gonna leave you now

Oh I know, it's gonna get better

I won't leave you for a money man

No matter what we go through

I'm not gonna leave you now

Oh I know, it's gonna get better[Camila]

I don't know why you always think that I'm unsatisfied

That I'm tempted by kings...
