

Baby Don't Dance

Mother Mother

She looking like Stonehenge in a old England
She don't move, she don't move, she don't move
She just standsShe doesn't feel the sound
She feel for the ground
She like a dead fish in a cold pan
She don't give an inch to the bandShe don't, she don't dance
My baby don't dance
My baby don't dance
My baby don't dance, babyShe doesn't feel ashamed
She's just feeling strange
To the sh ah, ah, immy shake
She's the straightest dame in the place
She's so, she's so safe, damnMy baby don't dance
My baby don't dance
My baby don't dance
Oh, my baby don't dance
Oh, my baby doesn'tShe don't, she don't danceShe's looking like a dead fish in a cold
She don't jumpMy baby don't dance
My baby don't dance
My baby don't dance
Oh, my baby don't dance
Oh, my baby, yeah, ha
