

# It's All Right (Mono)

Ray Charles

Say it's all right (it's all right)  
Say it's all right (it's all right)  
It's all right, have a good time  
'Cause it's all right, whoa, it's all right We're gonna move it slow  
When lights are low  
When you move it slow, it sounds like more  
And it's all right, whoa, it's all right Now listen to the beat  
Kinda pat your feet  
You got soul, and everybody knows  
That it's all right, whoa, it's all right When you wake up early in the morning  
Feelin' sad like so many of us do  
Hum a little soul  
Make life your goal  
And surely something's got to come to you  
And say it's all right (it's all right)  
Say it's all right (it's all right) It's all right, have a good time  
'Cause it's all right, whoa, it's all right  
Now everybody clap your hands  
Give yourself a chance  
You got soul, and everybody knows  
That it's all right, whoa, it's all right Someday I'll find me a woman  
Who will love and treat me real nice  
Then my woe's got to go  
And my love, she will know  
From morning, noon, and night  
And she's got to ... Say it's all right (it's all right)  
Say it's all right (it's all right)  
It's all right, have a good time  
'Cause it's all right, whoa, it's all right Now everybody clap your hands  
Now give yourselves a chance  
You got soul...
