Like Hell

Wangan Midnight

So many times I've been lost
And blinded by the light, caught up in a maze
Now I feel just like a wolf
Who forgot how to fight and frozen by the hazeI was a hungry mean beast
I would never be satisfeid
Always looking for the next feast
Waiting for the next rideLike hell, I'm gonna do it, like hell
Like hell, I'm gonna rock you, like hell
Like hell, I'm comin' at you, like hell
Like hell, I'm gonna shock you, like hellJust one more sip to ease my thirst
Another for the fire that's all that I need
The time has come to break the spell
Or give in to desire there ain't no in betweenNo I won't stay and take it
Get caught up standing still
Looking for a way to shake it
Looking for the killLike hell, I'm gonna do it, like hell
Like hell, I'm gonna rock you, like hell
Like hell, I'm comin' at you, like hell
Like hell, I'm gonna shock you, like hellNo more hiding in the shadows
Runnin' from the fight
No more cryin' when the wind blows
Howling at the nightLike hell, I'm gonna do it, like hell
Like hell, I'm gonna rock you, like hell
Like hell, I'm comin' at you, like hell
Like hell, I'm gonna shock you, like hell
