

# Life's What You Make It

## Talk Talk

Baby, life's what you make it  
Can't escape it  
Baby, yesterday's favourite  
Don't you hate it Everything's all right  
Life's what you make it  
Everything's all right Baby, life's what you make it  
Don't back date it  
Baby, don't try to shade it  
Beauty is naked Everything's all right  
Life's what you make it  
Everything's all right  
Life's what you make it Baby, life's what you make it  
Celebrate it  
Anticipate it  
Yesterday's faded  
Nothing can change it  
Life's what you make it Everything's all right  
Life's what you make it  
Everything's all right  
Life's what you make it Everything's all right  
Yeah yeah  
Everything's all right  
[incomprehensible]  
Everything's all right  
Life's what you make it
