

# New Life (Pablo Fierro & Ale Acosta Rmx)

## Fuel Fandango

You should know my life is out of tune  
I have the feeling you feel quite the same  
It's hard for me to talk and express myself  
But let me explain I live in the loneliness So I sing out  
You're always in my head  
I can't explain why  
Even in my dreams you're on Me escondare en ningun lugar  
Donde yo se que tu me puede encontrar  
Me escondare en ningun lugar  
Donde yo se que tu me puede encontrar  
Just sometimes I feel great  
But let me tell you don't care what people say  
They don't come now  
I think of all my little ...  
I think of all my little ... Me escondare en ningun lugar  
Donde yo se que tu me puede encontrar  
Me escondare en ningun lugar  
Donde yo se que tu me puede encontrar  
Que tu me puede encontrar  
No time for love  
You are the last one  
No time for love  
You are the last one
