Oluwa

Jumbo Aniebiet

[Verse 1]
As we worship in Your presence
Let blind eyes be open
And every heart that is desperate
Shall see You again.
As we sing songs of victory
Heal every heart
For you are strong and mighty
Who sits on the throne

[Chorus]
Oluwa (O God)
Fi agbara re 'han (manifest Your power)
Jesu (Jesus)
Fi agbara re 'han

[Verse 2]
When the arms of man shall fail
I'll be standing in Your grace
Every hope in Jesus
Shall reign in majesty
When the days of men are over
Let me be standing in Your grace
And everyone that's hoped in Jesus
Shall see You face to face

[Chorus]
Oluwa (O God)
Fi agbara re 'han (manifest Your power)
Jesu (Jesus)
Fi agbara re 'han
