

Runaway (Radio Mix)

Wrethov

Verse 1:

Love love never been so in love love
Taken over by her touch touch
Wonder why it hurts much

Bridge:

But I gave it all I got
And I gotta know gotta know gotta know
Why it had to stop
Oh no wanna know wanna know wanna know
Desperation block
Oh no gotta know gotta know gotta know
It hit me like a rock rock rock...

Chorus:

We could
Runaway runaway take me to a better day
Runaway runaway somethings got to change
Runaway runaway hey gotta find a better way
Runaway runaway hey hey hey

Verse 2:

Time time always feels like waisted time time
Cannot get her off my mind mind
How could I have been so blind

Bridge:

She took more than I got
And I gotta know gotta know gotta know
It's never gonna stop
Oh no wanna know wanna know wanna know
Desperation block
Oh no gotta know gotta know gotta know
It hit me like a rock rock rock rock rock

Middle8:

What are you doing to me
It's like a poisonous love
