

# The Young Ones

## Angelic Upstarts

The young ones  
Darling, we're the young ones  
And young ones  
Shouldn't be afraid To live, love  
While the flame is strong  
'Cause we may not be the young ones  
Very long Tomorrow  
Why wait until tomorrow?  
'Cause tomorrow  
Sometimes never comes So love me  
There's a song to be sung  
And the best time is to sing  
While we're young Once in every lifetime  
Comes a love like this  
Oh, I need you and you need me  
Oh, my darling, can't you see? Young dreams  
Should be dreamed together  
And young hearts  
Shouldn't be afraid And some day  
When the years have flown  
Darling, then we'll teach the young ones  
Of our own Once in every lifetime  
Comes a love like this  
Oh, I need you and you need me  
Oh, my darling, can't you see? Young dreams  
Should be dreamed together  
And young hearts  
Shouldn't be afraid And some day  
While the years have flown  
Darling, then we'll teach the young ones  
Of our own The young ones  
Darling, we're the young ones  
The young ones  
Darling, we're the young ones
