

# Taking Me Over

## Schmoov

You don't remember me but I remember you  
I lie awake and try so hard not to think of you  
But who can decide what they dream?  
And dream I do I believe in you  
I'll give up everything just to find you  
I have to be with you, to live, to breath  
You're taking over me Have you forgotten, all I know and all we have?  
You saw me mourning, my love for you  
And touched my hand  
I knew you loved me then I believe in you  
I'll give up everything just to find you  
I have to be with you, to live, to breath  
You're taking over me I look in the mirror and see your face  
If I look deep enough  
So many things inside  
That just like you are taking over I believe in you  
I'll give up everything just to find you  
I have to be with you, to live, to breath  
You're taking over me I believe in you  
I'll give up everything just to find you  
I have to be with you, to live, to breath  
You're taking over me Taking over me  
You're taking over me  
Taking over me  
Taking over me
