

# Please Read Me

## Bee Gees

Many years ago I was a simple man  
A simple man, no worries me  
I never lied  
Please read me Not much conversation ever came from me  
I never saw reality  
I never tried  
Please read me Ahh ahh ahh ahh ahh ahh  
Ahh ahh ahh ahh ahh ahh  
Ahh ahh ahh ahh ahh ahh Maybe I've been lying on your couch too long  
I'll stay if you can see me through  
Explain why  
Please read me
