

What Do I Have to Do

Kia

la-la-love you
love you
tell me that it's no use
love's always been my excuse
don't tell me it aint right
my heart is my heart is my alibi
only you (you)
you (you)
get me acting crazy like I do (do)
do (do)
say you cant believe it, but it's true
it's true what do I have to do
to get the message through
how can I prove I really love you (love you)
what do I have to do
to get it through to you
how can I prove I really love you (love you) There aint a single night
that I have haven't held you tight
it's always inside my head
never inside my bed
I miss you (you)
you (you)
bringin' out the passion in my soul
oh
and I've got to have you don't you know
don't you know what do I have to do
to get the message through
how can I prove I really love you (love you)
what do I have to do
to get it through to you
how can I prove I really love you (love you) love you
love you
la-la-love you
whoa
love you
la-la-love you
whoa
love you
la-la-love you only you (you)

you (you)
get me acting crazy like I do (do)
do (do)
say you cant believe it, but it's true
it's true what do I have to do
to get the message through
how can I prove I really love you (love you)
what do I have to do
to get it through to you
how can I prove I really love you (love you) what do I have to do
to get the message through
how can I prove I really love you (love you)
what do I have to do
to get it through to you
how can I prove I really love you (love you) love you
love you what do I have to do
to get the message through
how can I prove I really love you (love you)
what do I have to do
to get it through to you
how can I prove I really love you (love you) (love you)
(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
(love you)
from my sail
(love you)
the stars from eyes
(love you)
took the wind
(love you)
took the wind

(love you)
took the wind
(love you)
took the wind
(love you)
took the wind
