[Jor'dan]  
Whoah aaah Whoah aaah Whooaaaaah  
Yeeeah  
[Stanza 1]They say trust makes me a fool don't it and  
Love makes me uncool don't it

[Chorus] But I'm a believer You're made for me  
The way you walk on air and you don't fall  
Either you believe us follow the leaders  
Instead of trying to find love on your own  
It's crazy, they think I'm crazy [Jor'dan & Keyondra]  
Whoah oooh  
Maybe they're the ones crazy

[Keyondra]  
[Stanza 2] They say that faith is such a waste ain't it  
But I believe time won't wait so don't ever waste it  
Whoah oooh ooh

[Chorus - Jor'dan & Keyondra] I'm a believer you're made for me  
The way you walk on air and you don't fall  
Either you believers follow the leaders  
Instead of trying to find love on your own  
It's crazy, they think I'm crazy  
Whooooah oh oh Maybe they're the ones crazy  
  
It's crazy, they think I'm crazy  
Maybe they're the ones crazy
