# Swinging Doors

## Jerry Lee Lewis

One two, one twoThis ol' smoke filled bar is somethin' I'm not used to
But I gave up my home to see you satisfied
And I just called to let you know where I'll be livin'
It's not much but I feel welcome here insideAnd I've got swinging doors a jukebox and a barstool
And my new home has a flashing neon sign
Stop by and see me anytime you want to
'Cause I'm always here at home till closin' timeI've got everything it takes to drive me crazy
And I've got everything it takes to lose my mind
And in here the atmosphere's just right for heartaches
Come on by I'm singing round most anytime
