

# The Killer'S Song

Carolina Marquez

I Love  
The killer song, the song  
Of underground  
I Love  
The killer song, the song  
Of underground  
I Love  
The killer song, the song  
Of underground  
I Love  
The killer song, the song  
Of underground  
The king of the night  
He feels me with delight  
He's sexy and crazy  
His song stop and he's mine  
He's a deejay in my dreams  
He's a king and I'm a queen  
We love each other in the dark and push  
Play or stop La la lalala  
La la lalala  
Lalalala lalala lalalala lalala
