

# Skin deep

Natasha Thomas

Your tellin' me that i'm your queen  
That nothing matches me  
You're making me feel like a dream  
The way you flatter me Are you just another fake  
Or something special?  
(yeah, yeah, yeah, yeah, yeah, yeah) You're tellin' me that i'm too cool  
You say i'm beautiful  
I got to tell you i'm no fool  
I'm kinda cynical boy have you got what it takes  
Something special  
(yeah, yeah, yeah, yeah, yeah, yeah) Don't think this beauty...  
Skin deep  
(yeah, yeah, yeah)  
I need more than you're givin' me  
skin deep  
(yeah, yeah, yeah)  
Get down to the bone  
Heart and soul  
I've got to have it all  
It's got to be special You sit me on the top of your world  
Can't take your eyes off me  
You say that i'm your candy girl  
Well that's oh so sweet boy, have you got what it takes  
Something special?  
(yeah, yeah, yeah, yeah, yeah, yeah,) Don't think this beauty...  
Skin deep  
(yeah, yeah, yeah)  
I need more than you're givin' me  
skin deep  
(yeah, yeah, yeah)  
Get down to the bone  
Heart and soul  
I've got to have it all  
It's got to be special down, down, take it to the bone  
get to the beauty within  
down, down, take it to the bone  
Got to discover me  
down, down, take it to the bone  
Open your mind and come in

down, down, take it to the boneSkin deep  
(yeah, yeah, yeah)  
I need more than you're givin' me  
skin deep  
(yeah, yeah, yeah)  
Get down to the bone  
Heart and soul  
I've got to have it all  
It's got to be specialDon't think this beauty...Skin deep  
(yeah, yeah, yeah)  
I need more than you're givin' me  
skin deep  
(yeah, yeah, yeah)  
Get down to the bone  
Heart and soul  
I've got to have it all  
It's got to be specialDon't think this beauty...Skin deep  
(yeah, yeah, yeah)  
I need more than you're givin' me  
skin deep  
(yeah, yeah, yeah)  
Get down to the bone  
Heart and soul  
I've got to have it all  
It's got to be specialharriet!
